In maths we are learning about position and distance, using language such as under, above, behind, next to. We will also be completing a recap of all taught topics ready for assessments.

In Phonics we are continuing to focus on writing sentences. We will continue with the Phase 4 sounds and recapping those tricky words!

Outdoor Area

A huge thank you from all the children and staff in Nursery and Reception to all the kind volunteers who worked tirelessly creating the wonderful space that is our outdoor area. The project from start to finish has been a real success and that is down to all your hard work. If you are yet to see our area please do come have a look!

Show and Tell

We now have a special show and tell bag, with so many children eager to share with their friends this will ensure everyone has their turn. One child a week will receive the bag to share on a Tuesday. We look forward to sharing your memorable moments.

Super Men

On Friday 14th June we will be having an open afternoon for the 'super men' in the children's lives. Dads, Grandads, Uncles or male family friends are welcome to come into school from 1:30-3pm. We look forward to seeing you then

Please remember to have a spare set of clothes on your child's peg and to keep restocking this. Please return any school clothes that your child has borrowed.

Children should have their PE kit in school all week ready for PE on a Wednesday afternoon. On occasions, PE will now take place outside. Please ensure that your child has suitable footwear and clothing for this.

Book bags

Please remember to bring book bags every day with guided reading book as this ensures that we can then pass the books onto the next child.
